Lunch Programs - Volunteers Needed

Baby it's cold outside...well it soon will be. As the season changes the kids spend more time inside and lunch programs are an important part of keeping them busy when they can't be outside. We are looking for some volunteers to help make this seasons' lunch program safe and fun. Lunch program volunteers are needed as of November 28th. The commitment is for 1 hour a week for at least a month (Four 1-hour sessions). If interested, please contact [Akeya Stewart](#).

PSCC - Positive School Climate Committee - Workshop Jan. 21

Parents of Kindergarten - 2nd Grade girls: Save the date of **Saturday, Jan. 21** for the 2nd annual **Girls' Friendship Workshop**. By enrolling your daughter, you can set her up at a young age to gain awareness and social skills to manage female friendships. While both fun and nurturing, this program's skilled facilitators will use an expanded, role-playing curriculum to lay important groundwork for the development of positive friendship skills. Look for Sign-Up and parent volunteer opportunities soon. Contact [Rebecca Ramana](#) with questions.

Are you interested in helping set up a **Parent-Son** or **Parent-Daughter Book Club**? We are currently looking for parents of 4th, 5th or 6th grade girls and boys. This is a great opportunity for working parents as the program is evening-focused. Contact [Kerry Forsythe](#). Are you looking to simply participate in a Parent-Child Book Club with your child? Look for Sign-Up in Jan-Feb.
